About

AAR BUSINESS GROUP

AAR Business Group is a privately owned indigenous profit-making company categorized under general services, i.e., food sector, airline ticketing, to any destination within Somalia, Europe, middle east, Asia, Africa, Australia and United States. We also provide hotel service and secure transportation services which have been approved nationally. The Company took its first breath in 2020, since then, we have grown to a complete solution provider in the field of our services. The services by the Company spanned across many arenas. We have proven our ability in taking large, complex services in south and central Somalia and completed them on time, on budget and at the highest levels of quality.

AAR BUSINESS GROUP passion is to deliver quality and standard services and products to its local and international clients, partners, local business communities as well as international organizations

Our **MISSION**

AAR BUSINESS GROUP's mission is to provide quality and professional services to our customers through years of experiences gained in service management, food supplies and travel and ticket services. General service in various good quality services, to conduct domestic and overseas business, to serve our customers completely and competitively, to meet all expectations of the stakeholders are the lined mission statements of each and every AAR BUSINESS GROUP member.

Our Pledge is to apply latest technology and field-based experiences to establish long lasting relationship with our customers, quality and standardized services that exceed their expectations and gain their trust through exceptional performance by every member of our working team

Our **VISION**

AAR BUSINESS GROUP's Vision is to become a competitive and competent General Service Company by having well managed resources and network both in domestic and overseas.

What are Our **CORE VALUES**

- 01** Safety - We care about people
- 02** Reliability - We have integrity
- 03** Responsiveness - We listen to what you say
- 04** Honesty - To always be truthful, and open to all.
- 05** Integrity - To do what we say, live up to the highest standard
- 06** Culture - We seek new opportunities to learn, to improve, to teach and add value
- 07** Passion - We love what we do, we lead by example and we take the lead.

Key Area of **SPECIALIZATION**

Our expanding list of satisfied clients reflects our ability to execute challenging services, despite all odds. The high percentage of repeat orders stand testimony to this: Our ability to manage operation in diverse industries and economies coupled with the track record in mobilizing financial and human resources make us the preferred contractor for critical general service projects. We will be an ideal partner for your next service provider.

SAFETY POLICY

The safety of our employees and the public is of the highest priority. It is our policy that our safety rules shall be strictly observed at all times. Although these rules are to be considered very important, it is important to publish a rule that covers every circumstance. If a rule that might cover a specific hazardous condition has been omitted, that shall not be an excuse for disregard of common sense in the safe performance of our work.

Accident prevention shall be considered of primary importance in all phases of operation and administration. The Management has put forward some safety policies. The policy insists on maintaining open communication between management and staff on matters pertaining to safety.

Safety and accident prevention is everyone's responsibility. Promote a positive attitude towards accident prevention. Outline the training and competence required to prevent occupational hazards. Establish and insist upon safe work practices and conditions.

Following safe work practices prevents injury and ill health, and continually improves the effectiveness of the system.

Provide appropriate supervision, training and monitor conformance to quality standards. Ensure employees and other persons understand and accept their responsibility to promote a safe and healthy workplace. Ensure that contractors working on our premises have, and follow appropriate safety procedures.

Health and

ENVIRONMENTAL POLICY

The successful execution of safety policy will certainly ensure the well-being of health & environment of the company. There is no need for any further distinguishing claims. Health and Environment policy is coiled to ensure that all work processes are carried out in a safe manner. Even though certain business fields of AAR BUSINESS GROUP is on the external tie up basis, the responsibility is headed with maximum commitment.

The company is also aware of the facts that health safety & environmental protection form an integral part of business objectives. The major line of responsibility of AAR BUSINESS GROUP is managing Health Safety and Environmental protection.

The underlying truth that all accidents are preventable will also get its needed importance in the company. The Company is carrying out regular safety inspections and maintaining and accident prevention program that ascertains cause and taking corrective action for every accident.
